

# SAFE DIGGING

## ACTIVITY SHEET

Natural gas lines can be located anywhere, so every digging project requires a call to 811 – even small projects like planting trees or shrubs. Whether you're a homeowner or professional excavator, one call to 811 gets underground utility-owned lines marked for FREE!

Match the color to the underground utility line:

- Water systems, slurry pipelines
- Communications, cable
- Gas and oil products
- Sanitary sewer systems
- Electric power
