CONTACT

For details on program eligibility and requirements, **please visit:**

swgas.com/rebates

or call: **800-654-2765**

REBATE APPLICATION DETAILS

Please review the rebate application for additional requirements and full terms and conditions.

Rebates are available for purchases made during the offer period or until program funds are exhausted, whichever occurs first. Due to limited funding, please submit your application promptly after purchase and installation.

Equipment must be installed before submitting a rebate application. Rebate applications will be processed on a first-come, first-served basis and must be postmarked or submitted online to be eligible for the rebate.

**Program participation dates are subject to funding availability and may change without notice. Program and submission deadline dates will be updated on [swgas.com/rebates](https://www.swgas.com/rebates).*

Reduce Your Use and Save With

NATURAL GAS

Smarter Greener Better[®] Rebates

MORE REBATES FOR YOUR BUSINESS

According to ENERGY STAR[®], a typical commercial building's energy use accounts for 30% of operating costs, the largest single category of controllable costs. By using natural gas, you can lower your energy bills and get the best value for your money.

UPGRADE AND SAVE!

By improving your facility with high-efficiency natural gas equipment, your business can be more energy efficient and environmentally responsible while maximizing your business potential. With Southwest Gas — *Smarter Greener Better*[®] rebates, there's no better time than now to upgrade your commercial equipment.

Eligible Natural Gas Equipment Rebates & Requirements.

Rebate amount may not exceed 50% of equipment cost.
