

SOUTHWEST GAS CORPORATION

Thank you for choosing energy-efficient natural gas. To make it as simple as possible for you to sign up for gas service, please provide the following information so we can accurately design the gas facilities required for your project:

- 1. Site plan, indicating the position of the building(s) on property and the proposed gas meter location**
- 2. Physical street address for the building(s)**
- 3. Estimated peak hour gas demand (BTU/hr or CFH)**
- 4. Expected Burn Profile (equipment hard start up or gradual ramp up over time)**
- 5. List of type and gas demands for each gas appliance (BTU/hr or CFH) (or a Mechanical/plumbing plan with input rating data)**
- 6. Estimated average annual gas usage, including hours per day, days per week, weeks per year that the gas will be burned (Therms/yr)**
- 7. Minimum delivery pressure requirement for the gas appliances (psi)**
- 8. Builder Information (Name, address, phone)**
- 9. Owner Information (Name, address, phone)**
- 10. Business Type and NAICS Code**
