REBATE APPLICATION DETAILS

Please review the rebate application for additional requirements and full terms and conditions.

Rebates are available for purchases made January 1, 2016 through December 31, 2016, or until program funds are no longer available, whichever comes first. Due to limited funding, please submit your rebate application as soon as possible after purchase and installation. Equipment must be installed before submitting a rebate application. Rebate applications will be processed on a first-come, first-served basis and must be postmarked or submitted online by January 31, 2017*, to be eligible for rebate.

* Program participation dates are subject to funding availability and may change without notice. Program and submission deadline dates will be updated on www.swgas.com/efficiency/nv.
