HOW TO READ YOUR METER DOOR TAG (FORM 510.8 02/2002)

Date _____ Time _____
Your Read Is _____

NOTE: Your meter was read correctly if the reading obtained today is the same as or higher than the reading indicated on your current bill.

HOW TO READ YOUR METER

Read each dial in the direction shown by the arrows. If the dial hand is between numbers, use the lower one (if between 9 and 0, read 9). If the dial hand is exactly on a number, look at the dial to the immediate right. If its dial hand has not passed zero, record the lower number for the dial in question.

You can monitor your gas usage whenever you want. Visit our interactive web site at www.swgas.com to determine your reading. The specific page is www.swgas.com/howto/meter.html.

FOR INFORMATION CALL:

Between 8 a.m. - 5 p.m.

SOUTHWEST GAS CORPORATION

Form 510.8 (02/2002) 002 Side 1

YOU CAN HELP ENSURE CORRECT METER READINGS BY:

1. Making a key available.

2. Making sure the meter can be seen through the shrubs. Always keep the gas meter visible.

3. Keeping unfriendly dogs indoors - or on a leash - when the meter is due to be read.

Thank you for choosing Southwest Gas!

INFORMATIONAL DOOR TAG (FORM 510.17 01/2006)

Pardon the Inconvenience....

Southwest Gas contractors, **Pro Pipe Company, ELM Locating & Utility Services, and Arizona Pipeline**, will be working in your neighborhood within the next few days.

They will be performing quality control inspections on natural gas facilities and may need to access the buried pipes on your property.

In addition to exposing the natural gas lines, the contractor may need to access your sewer line. If this work activity is required, a small camera will be inserted into a drain or clean-out at your house.

This inspection work will be performed at no cost to you.

Prior to entry, the contractor will seek permission to access your property. To avoid any confusion, contract personnel will be wearing identification badges designating them as Southwest Gas contractors.

Southwest Gas Corporation appreciates your understanding and strives to minimize the inconvenience caused by this work activity.

If you have any questions or concerns, please call Southwest Gas at:

(760) 951-4083 or (760) 951-4027

Form 510.17 (01/2006) 120-580 Front

Disculpe la Molestia....

Contratistas de Southwest Gas, **Pro Pipe Company, ELM Locating & Utility Services, y Arizona Pipeline**, estarán trabajando en su vecindario en los próximos días.

Estarán ejerciendo inspecciones de control de calidad en las facilidades de gas natural y tendrán que obtener acceso a las tuberías subterráneas en su propiedad.

Además de exponer las tuberías del gas, el contratista podría necesitar acceso a las tuberías del alcantarillado. Si esta inspección se requiere, se insertará una cámara pequeña dentro del alcantarillado.

Esta inspección no le costará nada a usted.

Antes de entrar a su propiedad, el contratista le pedirá a usted permiso de acceso a su propiedad. Para evitar cualquier confusión, los trabajadores del contratista de Southwest Gas llevarán identificaciones.

Southwest Gas Corporation agradece su cooperación y desea mantener al mínimo la inconveniencia de este trabajo.

Si usted tiene preguntas o preocupaciones, por favor llame usted a Southwest Gas a:

(760) 951-4083 o (760) 951-4027

RISER REPLACEMENT DOOR TAG (FORM 510.21 08/2009)

Pardon the Inconvenience....

Southwest Gas works hard to maintain the highest industry standards for its distribution system. As part of this ongoing maintenance, we will be in your neighborhood soon to replace the gas riser at your residence. We do not anticipate interruption to your gas service. To complete this work we will require access to your gas meter from _____ to _____. This time will allow for Blue Stake marking of other utilities.

We appreciate your patience while we work to ensure that our system continues to run smoothly. Please contact our office if you have any questions.

Form 510.21 (08/2009) 47A-002 Front

Perdonen la Inconveniencia....

Southwest Gas trabaja duro para mantener su sistema de distribución de acuerdo con las normas más rigurosas de la industria. Como parte de este continuo esfuerzo de mantenimiento, estaremos en su vecindario muy pronto para cambiar el medidor en su residencia. No anticipamos ninguna interrupción en su servicio. Para completar este trabajo, requerimos acceso a su medidor desde _____ hasta _____. Este tiempo permitirá el marcado de otras utilidades por Blue Stake.

Agradecemos su paciencia mientras trabajamos para mantener nuestro sistema operando sin problemas. Por favor, contacte nuestra oficina si tiene alguna pregunta.
