

Central Arizona Division Contact Information

SOUTHWEST GAS

West Operations and East Operations

FOR A NATURAL GAS EMERGENCY: Call 9-1-1

AZ811 ("Call Before You Dig"): Call 1-800-782-5348 or 8-1-1

CUSTOMER ASSISTANCE: To start, stop, move, temporarily/permanently abandon, or reinstate gas service, the owner or legal designee of the property should call Southwest Gas at 1-877-860-6020 or visit www.swgas.com.

EASEMENT OR RIGHT-OF-WAY ABANDONMENT REQUEST: Send an email to CAZ-ROWRequest@swgas.com

SAFETY STANDBY/BORE MONITOR: When working in the vicinity of a high-pressure gas facility or boring, call Southwest Gas Dispatch at 1-800-528-4277 to schedule a free safety standby.

MAP REQUESTS: Southwest Gas provides maps to engineering firms in order to properly identify gas facilities on design plans for construction projects. To obtain copies of facility maps, scan and email a written request on company letterhead to the Southwest Gas Mapping Department with the following information:

Location of the map being requested including project description, major cross-streets and township/range/section
