

# Construction Alert:

## 8<sup>th</sup> Street: Una to McClintock

Southwest Gas will soon begin work to upgrade our gas main in 8<sup>th</sup> Street, from Una Avenue to McClintock Drive, with expected completion in March 2017.

You may be affected by the following:

- Work will begin in 8<sup>th</sup> Street, just east of Una and move in an eastward direction during daytime hours, Mondays through Fridays.
- Trenching will take place to install pipeline, and covered with steel plates during off-work hours.
- 8<sup>th</sup> Street will remain open for travel, with traffic shifted to the curb lanes. Left turns and bike lanes may be restricted during this activity.
- As work nears McClintock Drive, a lane restriction may be required to accommodate the work activity.
- Work hours may change to minimize impacts to nearby businesses, schools, homes or traffic
- Access to businesses and residences will be maintained.

Southwest Gas is committed to providing its customers with safe and reliable natural gas. For additional info, **contact our project hotline at 602.532.6100.**

**Thank you for your patience during this work.**
