## **Construction Alert:**

## Camelback Road, 7th Street to 24th Street

## **Beginning soon**

A contractor for Southwest Gas will soon begin work to upgrade our gas main in **Camelback Road**, **from 7**<sup>th</sup> **Street to 24**<sup>th</sup> **Street**, with expected completion in September 2019.

You may be affected by the following:

- Pipeline installation will take place in Camelback Road, beginning at 7<sup>th</sup> Street and moving in an easterly direction to 24<sup>th</sup> Street, followed by abandonment of the existing pipeline in Camelback Road.
- Roads will remain open for travel with lane and left turn restrictions near the work zone.
- Work is scheduled to take place during daytime hours; however, traffic control will stay in place even during non-work hours to protect the work zone.
- Crews may also work weekends and it is expected that work across the 16<sup>th</sup> and 20<sup>th</sup> Street intersections may take place during night hours to minimize the impact to traffic.
- Business and resident access will be maintained.

Southwest Gas is committed to providing its customers with safe and reliable natural gas. For additional information, contact our project hotline at **602.532.6100**.

Thank you for your patience during this construction.
