

SOUTHWEST GAS CORPORATION

CUSTOMER NOTICE Important Information About the Charges for Your Gas Service

On May 1, 2019, Southwest Gas Corporation (“SWG”) filed an application for a permanent gross revenue increase with the Arizona Corporation Commission (“ACC”). On October 24, 2019, the Company filed an amendment to its application, proposing a \$93 million revenue increase. After careful consideration of SWG’s filing and the positions of the other parties in the case, the ACC authorized an increase of approximately \$37 million, effective January 1, 2021, per Decision No. 77850 (Docket No. G-01551A-19-0055).

The residential basic service charge remains \$10.70 per month. As reflected in the Decision, the \$37 million increase is equivalent to a monthly bill increase of \$3.50 (or 9.68%) for an average residential customer using 24 therms. Actual bills may be higher or lower than this amount, depending on customer usage and other rate adjustments.
