Note: GL Journal 686 is an allocation from Corporate to all state jurisdictions. The charges are allocated based on Factor 4 for FERC accounts 903-910, and the 4-Factor for other O&M accounts.
The original charge is in the System Allocable file, and any adjustments happen on the system allocable file.

Note: GL Journal 687 includes the District 0022 allocation . The charges are allocated from RD 0022 to NNV, NCA and SLT based on relative number of customers.
Any adjustments to the original charges would be made on the 0022 schedule.

Note: GL Journal 687 includes the District 0018 allocation . The charges are allocated from RD 0018 to District 0023, NCA and SLT based on relative number of customers.
Any adjustments to the original charges would be made on the 0018 schedule.
