

REBATE APPLICATION DETAILS

Please review the rebate application for additional requirements and full terms and conditions.

Rebates are available for purchases made January 1, 2021 through December 31, 2021, or until program funds are no longer available, whichever comes first. Due to limited funding, please submit your application as soon as possible, after purchase and installation. Equipment must be installed before submitting a rebate application. Rebate applications will be processed on a first-come, first-served basis and must be postmarked or submitted online by January 31, 2022* to be eligible for the rebate.

*Program participation dates are subject to funding availability and may change without notice. Program and submission deadline dates will be updated on our website.

For details on program eligibility and requirements, please visit swgas.com/efficiency/nv or call 800-654-2765.

Nevada Smarter Greener Better®

Energy Efficiency REBATE PROGRAM

Take advantage of our rebates and **save money, energy, and the environment**

Smarter Greener Better® rebates

Conserve Energy and Save Money!

REDUCE YOUR USE AND SAVE

Using energy efficient natural gas appliances and equipment for your home and business can save both money and energy.

Investing in high-efficiency equipment will provide long-term savings and add value to your home or business.

Businesses can also take advantage of our new Instant Rebates Program. Select energy efficient foodservice equipment are eligible for a rebate right when you buy them or at the point-of-sale (POS). To learn more and for a list of distributors visit swgas.com/nvinstantrebate.

Applying is Easy!

Go to swgas.com/efficiency/nv for more information, rebate applications, and to determine equipment eligibility.
