

## Special Offer – Natural Gas Range, Dryer or Barbecue Connection October 1, 2013 through September 30, 2014

Do you need to have your natural gas Range, Dryer or Barbecue connected? Southwest Gas recommends having a licensed contractor/dealer make the connection for you. The contractor/dealer will connect a natural gas range, dryer or barbecue to an existing gas line and disconnect the old appliance as indicated in the special offer listed below.

**\$65 to Connect One Appliance to an Existing Shut-off Valve**

**\$75 Includes one Shut-off Valve and One Appliance Connection**

**This special offer may not be used in conjunction with any other offer or discount. The special offer fee does not include any additional parts, service or labor.**

For a list of licensed contractors or dealers, please call our Energy Specialists at 1-800-654-2765 or click on this link <http://www.swgas.com/EnergyReferral/index.jsp> and select the area in which you live. Continue by selecting the city, appliance and service type shown in the example below. The offer will be displayed to the right of each contractor's name under "Discounts Offered".
