Terms and Conditions

Read these Terms and Conditions, and then sign and date the Customer Information portion of the Rebate Application.

1. To be eligible for a rebate, I understand that: (a) I must be a Arizona residential customer on a residential rate with an active meter serviced by Southwest Gas for the installation address and, (b) the product(s) I have installed must qualify as described on the Rebate Application and incorporated herein by this reference and must be designed to reduce the consumption of the energy distributed to me by Southwest Gas at the installation address. Resale products, warranty replacements, products leased, rebuilt, rented, received from insurance claims, won as a prize, or new parts installed in existing products do not qualify for a rebate. I understand I must complete separate rebate applications for each installation address. All uses herein of the words "install", "installation" or similar phrases shall mean complete installation such that the subject products are fully functional.
2. I understand the rebate offer is limited to residential customers on a residential rate. The energy-efficient product(s) must be installed in a residential dwelling within Southwest Gas' Arizona service territories. The dwelling unit must be fully constructed and occupied.
3. I understand the program term is December 1, 2011 through November 30, 2012, and that the program term is subject to change without notice. New product purchases occurring outside of the program term do not qualify for a rebate offered during the program term. **The program may be modified or terminated without prior notice.** In the event that rebate amounts change during the program period, the purchase date will be used to determine product eligibility and the application postmark date will be used to determine rebate amount.
4. I understand that this signed and dated Rebate Application and all appropriate proof(s) of purchase must be postmarked within 60 days of purchase or by December 15, 2012, whichever is earlier, to be considered eligible for payment of a rebate. The submission deadline date is subject to funding availability and may change without notice. A rebate check for qualifying product(s) is generally mailed 8 to 10 weeks after Southwest Gas receives and approves a completed Rebate Application including all required documentation unless a Rebate Application is selected for a verification, which may add additional time. An incomplete Rebate Application will not be processed.
5. I will allow, if requested, a Southwest Gas representative or Southwest Gas-authorized inspector reasonable access to my home to verify the installed product(s) I have purchased before a rebate is paid. I understand that a rebate will not be paid if I refuse to participate in any required verification. The verification of installation must be scheduled within 30 days of customer contact by Southwest Gas. I understand that Southwest Gas may contact the qualifying product vendor and/or installer to verify purchase and/or installation and may provide my name and/or address to complete this verification.
6. I have installed a qualifying product(s) and understand the energy efficiency level of the qualifying product(s) determines the rebate amount (as defined in the Rebate Application). The rebate amount cannot exceed the purchase price for equipment. I understand that I cannot receive a rebate for the same product or equipment from more than one utility.
7. If a tenant, I understand that I am responsible for obtaining the property owner's permission to install the qualifying product for which I am applying for a rebate. My signature on this Application indicates I have obtained this permission.
8. I agree that the selection of qualifying product(s), selection of manufacturer, dealer, supplier and/or installer, and purchase, installation and ownership/maintenance of the qualifying product(s) referenced in this Rebate Application are my sole responsibility, and that the manufacturer, dealer, supplier and/or installer of the qualifying products is not an employee or representative of Southwest Gas. I understand that Southwest Gas makes no representations regarding manufacturers, dealers, contractors, materials or workmanship. I ALSO UNDERSTAND THAT SOUTHWEST GAS MAKES NO WARRANTY, WHETHER EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR ANY PARTICULAR PURPOSE, USE, OR APPLICATION OF THE PRODUCTS. I understand and agree that Southwest Gas will not be held liable on any claims involving (1) the quality, safety and/or installation of the products, including their fitness for any purpose, (2) the estimated energy savings of the products, (3) the workmanship of any third parties, (4) the installation or use of the products including, but not limited to, effects on indoor pollutants, or (5) any other matter with respect to the 2012 Arizona Residential Consumer Products Program. Accordingly, I hereby waive any and all claims against Southwest Gas, its directors, officers, employees, and/or agents, arising out of activities conducted by or on behalf of Southwest Gas in connection with my 2012 Arizona Residential Consumer Products Program Rebate Application. Without limiting the foregoing, Southwest Gas, its directors, officers, employees and/or agents shall not be liable hereunder for any type of damages, whether direct, indirect, incidental, consequential, exemplary, reliance, punitive or special damages, including damages for loss of use regardless of the form of action, whether in contract, indemnity, warranty, strict liability or tort, including negligence of any kind.
9. I understand that I am responsible for meeting all program requirements and complying with all applicable state/county/city governments, property owner and/or homeowner's association requirements (if any) regarding local conditions, restrictions, codes, ordinances, rules, and regulations concerning this installation.
10. I understand that **Southwest Gas is not responsible for items lost, destroyed or delayed in the mail/transit.**
11. I understand that I cannot receive rebates for the same products, or for the replacement of installed products from more than one utility. This program is funded by Southwest Gas' Arizona customers and administered by Southwest Gas, under the auspices of the Arizona Corporation Commission. Rebates are provided on a first-come, first-served basis until the conclusion of the program term, or until program funds are no longer available.
