

Rebate Application Details

Please review the rebate application for additional requirements and full terms and conditions.

Rebates are available for purchases made January 1, 2013, through November 30, 2013, or until program funds are no longer available, whichever comes first. Due to limited funding, please submit your rebate application as soon as possible after purchase and installation. Equipment must be installed before submitting a rebate application. Rebate applications will be processed on a first-come, first-served basis and must be postmarked/submitted online by December 15, 2013*, to be eligible for rebate.

*Program participation dates are subject to funding availability and may change without notice. Program and submission deadline dates will be updated on www.swgasliving.com.

For solar water heating rebates:

Rebates are available for systems purchased and installed on or after January 1, 2013, or until program funds are no longer available. Pre-approval is required. Please submit your rebate application before purchase and installation. Rebate applications will be processed on a first-come, first-served basis.

- ✓ Saving money is Smarter.
- ✓ Energy Efficiency is Greener.
- ✓ Rebates are Better.

SRA NV Com Brochure 01/2013

Nevada Smarter Greener Better®

Commercial Rebates Program

For details on program eligibility and requirements, please visit www.swgasliving.com/efficiency/nv or by contacting our Energy Specialists at **1-800-654-2765**.

Scan this with your mobile device.

Boost Your Bottom Line with Natural Gas

Save even more with **Smarter Greener Better** rebates

According to ENERGY STAR®, a typical commercial building's energy use accounts for 30% of operating costs, the largest single category of controllable costs. By using natural gas, you can lower your energy bills and get the best value for your money.

High Efficiency

Replace old, inefficient commercial equipment with NEW high-efficiency models and save money, energy and the environment. Increased efficiency leads to higher production and reduced energy costs which help increase your profitability.

Greener Than You Think!

High-efficiency commercial equipment helps reduce product waste, helping to protect our environment.

Visit www.swgasliving.com/efficiency/nv or call our Energy Specialists at **1-800-654-2765**

for more information, rebate applications, and to determine equipment eligibility.

Eligible Natural Gas Equipment Rebates & Requirements

Rebate amount may not exceed 50% of purchase price.

Storage Water Heater

\$500
Thermal efficiency \geq 95%;
input \geq 199,000 Btu/hr

Tankless Water Heater

\$350
ENERGY STAR qualified;
Energy Factor (EF) \geq 0.90

Smart Low-Flow Showerhead

\$20
Gallons per minute (GPM) \leq 1.5 with ShowerStart Technology™. Requires natural gas water heating

Lavatory Faucet

\$50
WaterSense® qualified. Requires natural gas water heating

Clothes Dryer

\$30
Must have a moisture sensor

Furnaces

Northern Nevada only

\$300
AFUE (Annual Fuel Utilization Efficiency) \geq 92%

\$400
AFUE \geq 95%

\$500
AFUE \geq 97%

Convection Oven

\$550
ENERGY STAR qualified

Conveyor Ovens

\$300 - \$750
Cooking Efficiency \geq 42%

Dishwashers

\$1,050 - \$2,000
ENERGY STAR qualified. Requires natural gas water heating

Steamer

\$200
ENERGY STAR qualified

Boiler Equipment

\$250 - \$10,000
New boilers and high-efficiency equipment for existing boilers
Please visit website for additional equipment details.

Air Curtain

\$1,950
Usage \geq 20 hrs/week and AMCA (Air Movement and Control Association) certified. Requires natural gas space heating

Custom Rebate

\$1.00/therm up to \$20,000
Southwest Gas approval

Energy Audit

**\$5,000/facility;
\$50,000/customer**
Southwest Gas approval

Solar Water Heating Systems with natural gas back-up
Rebate Amounts
Must use a program authorized contractor.

Small Business

\$14.50/therm up to 30% or \$7,500

Schools, Public or Other

\$19.00/therm up to 50% or \$30,000
