

# You're Invited

To a FREE Customer Workshop.

Learn about whole-house  
efficient energy performance  
and Solar Water Heating

Saturday, October 13, 2012  
10:00 AM - 1:00 PM

## OPEN HOUSE

The Carmen home  
7224 Carmen Blvd.  
Las Vegas, Nevada

Don't miss this opportunity to check out  
an installed solar water heating system as  
well as other energy-efficient measures  
implemented throughout the house.

Stop by for a free home tour,  
refreshments and helpful  
rebate information!

Save energy and reduce monthly bills  
using the sun's energy to heat water.

Check out rebates available for installation of  
eligible solar water heating systems.
