## REBATE APPLICATION DETAILS

Please review the rebate application for additional requirements and full terms and conditions.

Rebates are available for HERS ratings completed July 1, 2016, through December 31, 2017, or until program funds are no longer available, whichever comes first. To receive an application form or for more information, interested homebuilders may contact Southwest Gas Energy Specialists at 1-800-654-2765. Rebate payments will be issued once the HERS provider has submitted the energy savings information for each plan. Rebate applications will be processed on a first-come, first-served basis and must be postmarked or submitted online by January 31, 2018, to be eligible for rebate.
