Save time.
Save trees.

There's no time like the present to sign up for Paperless Billing through MyAccount. Going paperless not only saves time and money, but it also saves our trees.

If all U.S. households viewed and paid bills online it would save approximately 2.3 million tons of wood, or 16.5 million trees.

SOUTHWEST GAS

You have the choice to be greener than you think.

Did you know that converting a home's heating and water heating systems from electric to natural gas can reduce a home's carbon footprint by more than 80%? That's equivalent to saving 2.75 acres of trees!

Choose natural gas for your energy needs and help keep the sky blue and the planet green.
