

PUBLIC NOTICE OF APPLICATION OF SOUTHWEST
GAS CORPORATION FOR AN ENERGY EFFICIENCY AND
RENEWABLE ENERGY RESOURCE TECHNOLOGY PORTFOLIO
IMPLEMENTATION PLAN DOCKET NO. G-01551A-12-0218

Summary of Southwest Gas' Application

On May 31, 2012, Southwest Gas Corporation ("Southwest Gas" or "Company") filed an application with the Arizona Corporation Commission ("Commission") requesting approval of an Energy Efficiency and Renewable Energy Resource Technology Portfolio Implementation Plan ("EE & RET Plan"), which was designed in accordance with the Gas Utility Energy Efficiency Standards ("Standards") set forth in Sections R14-2-2501 through R14-2-2520 of the Arizona Administrative Code ("A.A.C.").

How You Can View or Obtain a Copy of the Application

Copies of the application are available from Southwest Gas upon request by contacting the Company at Southwest Gas Corporation, 10851 Black Canyon Highway, Phoenix, Arizona 85029 (1-800-873-2440), 3401 East Gas Road, Tucson, Arizona 85714 (1-800-428-7324), or your local office. The application can be viewed at the Commission's Docket Control Center at 1200 West Washington, Phoenix, Arizona, for public inspection during regular business hours and on the Internet via the Commission's website (www.azcc.gov) using the e-Docket function.
