

# Save Loads with Natural Gas Dryers!

Natural gas clothes dryers are the natural choice for saving money, energy, and the environment. Instant heat and shorter drying times are gentler on fabrics, extending the life of your clothing. You'll also save money by using less energy and many models qualify for rebates!

Visit [www.swgasliving.com/azresbill](http://www.swgasliving.com/azresbill) to check out our rebate programs and discover new ways to save!

# A New Year's Resolution that's *Smarter Greener Better*®
