I understand that for this program, "gross household income" means all money and non-cash benefits, available for living expenses, from all sources, both taxable and non-taxable, before deductions for all people who live in my home. This includes, but is not limited to: wages, salaries and commissions; income from self-employment and all employment-related, non-cash income; child and/or spousal support; interest or dividends from savings accounts, stocks and bonds, or retirement accounts such as IRA and 401K accounts; gains realized from the sale of assets; stocks; bonds; business or rental income; support from family or friends; cash gifts; lottery winnings; tax refunds and money from insurance policies or legal settlements; Social Security; retirement, veterans, disability or unemployment benefits and workers' compensation; Temporary Assistance to Needy Families (TANF, formerly AFDC); supplemental security income (SSI); supplemental security payments (SSP); cash public assistance; food stamps and free housing or utilities; and school grants, loans, scholarships, or other aid. Proof of income acceptable to the utility will be provided when requested.

I understand that upon enrollment in this program and for periodically re-certifying my continued eligibility for the program discount, the utility may verify my eligibility to participate in the program; if ineligibility is established, I will be removed from the program and may be billed for previous discounts which I should not have received.
