

Schedule No. G-20

MASTER-METERED MOBILE HOME PARK GAS SERVICE

APPLICABILITY

Applicable to gas service for cooking, water heating, space heating and other usages supplied to a master-metered mobile home park and its tenants within the park through one meter on a single premise. This schedule is closed to new installations.

TERRITORY

Throughout the certificated area served by the Utility in the communities as set forth on A.C.C. Sheet No. 8 of this Arizona Gas Tariff.

RATES

The basic service charge and commodity charge are set forth in the currently effective Statement of Rates of this Arizona Gas Tariff and are incorporated herein by reference.

LOW INCOME DISCOUNT

If an individual tenant of a mobile home park served under this schedule meets the low income criteria specified on the Utility's "Application for Low Income Ratepayer Assistance" form the mobile home park customer shall be eligible for the Low Income Ratepayer Assistance (LIRA) discount for that tenant's account. The LIRA program entitles customers served under this schedule to a reduction in the commodity charge under Schedule No. G-20 equivalent to the differential in the commodity charge under Schedule Nos. G-5 and G-10. Such rate reduction will be applicable for all usage consumed by each eligible tenant per month.

Customers taking service under this schedule will receive the LIRA discount on their metered volumes in proportion to the percentage of mobile home park tenants that qualify under the LIRA program criteria. Customers served under this schedule must have an approved application form on file with the Utility for each tenant eligible for the LIRA discount. Recertification will be required every two years and the customer must notify the Utility within 30 days of any changes in the eligibility status of the customer's tenants. It is the responsibility of master-metered customers to pass through a proportionate share of the low income discount to each eligible low income tenant. If the Utility ascertains that a master-metered customer has failed to appropriately pass through the LIRA discount to eligible tenants, an adjusted bill may be rendered to the customer.

(Continued)

LOW INCOME DISCOUNT (Continued)

Customers submitting LIRA discount applications on behalf of eligible tenants during the Winter Season will begin receiving the discount in the next regularly scheduled billing period subsequent to the Utility's approval of the submitted application. All LIRA application information may be subject to verification by the Utility. Failure of a customer to provide any eligibility documentation requested by the Utility shall render the customer ineligible for the respective LIRA discount request. Customers that receive the LIRA discount on behalf of ineligible tenants may be rebilled for the period of ineligibility under the otherwise applicable undiscounted sales rate.

All LIRA rate discounts will be recorded in a balancing account established by the Utility and recovered through the Utility's LIRA Rate Adjustment Provision.

MINIMUM CHARGE

The minimum charge per meter per month is the basic service charge.

The rates specified for this schedule are subject to increases or decreases in the cost of gas purchased in accordance with those provisions set forth in the "Special Supplementary Tariff, Purchased Gas Cost Adjustment Provision," contained in this Arizona Gas Tariff.
