

Schedule No. G-25

GENERAL GAS SERVICE

APPLICABILITY

Applicable to commercial, industrial, United States Armed Forces, and essential agricultural customers as defined in Rule No. 1 of this Arizona Gas Tariff. Small general gas service customers are defined as those whose average annual requirements are less than or equal to 600 therms. Medium general gas service customers are defined as those whose average annual requirements are greater than 600 therms but less than or equal to 7,200. Large-1 general gas service customers are defined as those whose average annual requirements are greater than 7,200 therms but less than or equal to 50,000. Large-2 general gas service customers are defined as those whose average annual requirements are greater than 50,000 therms but less than or equal to 180,000 therms. Transportation-Eligible general gas customers are defined as those whose average annual requirements are greater than 180,000 therms.

TERRITORY

Throughout the certificated area served by the Utility in the communities as set forth on A.C.C. Sheet No. 8 of this Arizona Gas Tariff.

RATES

1. Small, Medium, Large-1 and Large-2 General Gas Service.

The basic service charge and commodity charge are set forth in the currently effective Statement of Rates of this Arizona Gas Tariff and are incorporated herein by reference.

The minimum charge per meter per month is the basic service charge.

2. Transportation-Eligible General Gas Service

The basic service charge, the demand charge and the commodity charge are set forth in the currently effective Statement of Rates of this Arizona Gas Tariff and are incorporated herein by reference.

The monthly demand charge shall be the product of the demand charge rate multiplied by the customer's billing determinant. The billing determinant shall be equal to each customer's highest monthly throughput during the most recent 12-month period, ending two months prior to the current billing period. For new customers, the initial billing determinant shall be calculated by multiplying the customer's estimated average daily use by the number of days in the billing period.

Schedule No. G-25

GENERAL GAS SERVICE
(Continued)

RATES (Continued)

The minimum charge per meter per month is the sum of the basic service charge and the demand charge.

SPECIAL CONDITIONS

1. A service agreement specifying the customer's volumetric requirements and curtailment priority may be required under this schedule.
2. The charges specified for this schedule are subject to adjustment for the applicable portion of any taxes, fees, or government assessments which are based on the gross revenues of the Utility.
3. In order to change to a different general gas service classification within this schedule, a general gas service customer must show a sustained change in deliveries for a period of at least 12 months.

PURCHASED GAS ADJUSTMENT CLAUSE

The rates specified for this schedule are subject to increases or decreases in the cost of purchased gas according to the provisions set forth in the "Special Supplementary Tariff, Purchased Gas Cost Adjustment Provision," contained in this Arizona Gas Tariff.

RULES AND REGULATIONS

The standard Rules and Regulations of the Utility as authorized by the Commission shall apply where consistent with this schedule.
