Purpose

The purpose of this filing is to update customer bill forms in Southwest's tariff.

Background

Pursuant to Section 8.5.8 of General Order 96-B, Southwest seeks to update its tariff by making the following revisions to four (4) customer bill/notice forms. Customer Bill (Form 927.0), Customer Bill – Disconnect Notice (Form 927.10) and Customer Bill – Final Notice (Form 927.11) have been revised to include the following language:

1. Information for employers on how to obtain a Material Safety Data Sheet (MSDS); and
2. Emergency Service information for Southwest's customers located in Needles, California.

Also, Southwest is removing the Closing Bill Reminder Notice (Form 916.0) from its tariff as it is no longer in use. In its place, Southwest now utilizes the existing Customer Bill (Form 927.0) as a final closing bill to its customers who have discontinued service with Southwest.
