TRANSPORTATION SERVICE (FORM 881.0 09/2012)

**SOUTHWEST GAS CORPORATION**  
**UTILITY AUTHORIZATION FOR CORE**  
**AGGREGATION TRANSPORTATION SERVICE**

By this Utility Authorization for Core Aggregation Transportation Service (Authorization), \_\_\_\_\_  
(Customer, I or my), a customer of Southwest Gas Corporation (the Company), authorize \_\_\_\_\_, a Core Transportation Agent (Aggregator) to be the sole party authorized to act on my behalf for all matters doing business with the Company, including but not limited to signing contracts; the purchase, nomination and delivery of all gas supplies; treatment of gas imbalances; gas storage; and all related transactions, for all utility service to my facility(ies) named on the reverse side of this Authorization. This Authorization is effective as of the date set forth below and commences for each named account on the next regularly scheduled meter-reading date following the Company's receipt and acceptance of this Authorization from the Aggregator.

I understand and agree that the Company will provide its services to me as established in the terms and conditions of the Company's California Tariff Rules and Rate Schedules approved by the California Public Utilities Commission (CPUC), which my Aggregator has provided to me, as well as other rules and regulations and any modifications thereof which are from time to time authorized by the CPUC.

I authorize the Company to release to the Aggregator by written or electronic transfer any and all current and historical gas usage information the Company has in its records on my account or facility(ies).

I understand and agree that I continue to be responsible for payment of my utility bills, including bills incurred by the Aggregator on my behalf. In addition to transmission charges, I understand that the Aggregator may incur such charges as imbalance charges, interstate interconnections charges and storage charges. I understand that any payments I make to the Aggregator do not in any way limit my liability to the Company. I also understand that I am responsible for any Transportation Franchise Fee that my city or county may require as a result of my receiving my gas commodity through the Aggregator. I understand that the CPUC does not regulate the Aggregator and any disputes with the Aggregator will be my sole responsibility. This Authorization will remain effective for a minimum period of 12 months from the date that my core aggregation transportation service begins and will continue month to month thereafter until I notify the Company in writing that this Authorization is terminated and that termination has been processed.

Check one:

- I want the Company to continue to bill me directly for its services.
- I want my Company charges sent to the Aggregator. However, I will receive an information-only statement of my Company charges, sent by the Company to my current billing address(es).
