CALIFORNIA GAS TARIFF

Subject: Revision No. 222

The attached tariff sheets reflect the authorization granted by the California Public Utilities Commission for Southwest to implement monthly gas cost rates for its customers in California. Such sheets reflect revised rates effective July 6, 2001.

The attached tariff sheets also reflect a reduction in the transportation rate Southwest pays to Southern California Gas Company under Schedule No. GW-SWG which was authorized by Commission Resolution G-3305. In Advice Letter No. 637-A, Southwest was authorized to implement the reduced rate as part of its PGA rate change for the month of July. The Core Subscription Procurement Charge and Transportation Franchise Fee Surcharge applicable to Southwest's Southern and Northern California Divisions have also been updated effective July 6, 2001.
