TO ALL HOLDERS OF  
SOUTHWEST GAS CORPORATION-S  
CALIFORNIA GAS TARIFF

Subject: Revision No. 237 (Advice Letter No. 658)

The attached tariff sheets adjust baseline allowances effective June 1, 2002. The baseline allowances are adjusted to statutory maximum amounts consistent with D.02-04-026, in advance of the 2003/2004 winter heating season, reflecting the updated baseline data in Southwest-s pending general rate application (A.02-02-012).

The attached sheets also include a revision to the Preliminary Statements to establish the Baseline Balancing Account Adjustment Mechanism (BBAAM) to track differences between existing baseline quantities and revenues and the June 1 revised baseline allowances and revenues.
