TO ALL HOLDERS OF
SOUTHWEST GAS CORPORATION
CALIFORNIA GAS TARIFF

Subject: Revision No. 238 (Advice Letter 662)

The attached tariff sheets reflect the authorization granted by the California Public Utilities Commission for Southwest to implement monthly gas cost rates for its customers in California. Such sheets reflect revised rates effective July 7, 2002, for the Gas Cost component of Schedule No. GCP.

The attached tariff sheets also reflect an update to the: (1) Core Subscription Procurement Charge Schedule No. G-CS; and (2) Transportation Franchise Fee (TFF) Surcharge applicable to core and non-core customers who secure their own sources of supply. In addition to these routine monthly changes, Southwest is also revising the display of rate components applicable to rate Schedule Nos. GS-66 and GN-66 – Small Electric Power Generation Gas Service to more clearly reflect that these rate schedules are exempt from Public Purpose Program Surcharges. The revisions do not impact the overall effective rates for these rate schedules.

Please make the following changes in your copy of Southwest's California Gas Tariff:
