

SOUTHWEST GAS CORPORATION

July 19, 2005

TO ALL HOLDERS OF
SOUTHWEST GAS CORPORATION
CALIFORNIA GAS TARIFF

Subject: Substitute Sheets to Revision No. 293 (Advice Letter 734)

The attached tariff sheets reflect corrections to the tariff sheets originally distributed with Revision No 293 for the California Gas Tariff. The amount contained in footnote number five on Sheet No. 6136-G, Statement of Rates for the Northern California Division, has been revised from \$.00388 to \$.00000. This revision correctly reflects that the Core Fixed Cost Adjustment Mechanism (CFCAM) Surcharge of \$.03591 per therm, effective July 7, 2005, does not include a component related to Southwest's authorized core margin. Sheet Nos. 6138-G and 6140-G, Sheets 1 and 2 of the Table of Contents, have also been updated to reflect this change.

Please make the following changes in your copy of Southwest's California Gas Tariff.

<u>Cal. P.U.C. Sheet No.</u>	<u>Title of Sheet</u>	<u>Canceling Cal. P.U.C. Sheet No.</u>
6136-G*	Statement of Rates – Effective Rates Applicable to Northern California Division Schedules (Continued)	6136-G
6138-G*	Table of Contents (Continued)	6138-G
6140-G*	Table of Contents	6140-G

Note: All other tariff sheets distributed with Revision No. 293, including the Revision Log, remain unchanged.
