TO ALL HOLDERS OF

Subject: Revision No. 313 (Advice Letter No. 763)

The attached tariff sheets reflect the authorization granted by the California Public Utilities Commission (Commission) for Southwest to increase the maximum amount of credit that may be carried forward for a customer and applied against the first billing due in the next EPP year. Therefore, Southwest may increase the credit amount from \$10 to \$50 and refund credit amounts over \$50 by check. The Commission authorized this change effective July 20, 2006.
