The attached tariff sheets reflect the authorization granted by the Public Utilities Commission of Nevada (Commission) for Southwest Gas Corporation (Southwest) to adjust the Deferred Energy Accounting Adjustment (DEAA) rate in Northern and Southern Nevada and the Variable Interest Expense Adjustment (VIEA) in Southern Nevada in accordance with the Commission's order in Docket Nos. 06-05018 and 06-05019. **The new rates became effective November 1, 2006.**

The attached tariff sheets also reflect the changes associated with the quarterly adjustment of the Base Tariff Energy Rate (BTER), approved in Advice Letter No. 426, which also became effective November 1, 2006. Thus, the New Tariff Sheets below account for both revisions.
