TO ALL HOLDERS OF
SOUTHWEST GAS CORPORATION'S
NEVADA GAS TARIFF NO. 6

Subject: Revision No. 023

Attached are revised tariff sheets filed in Advice Letter No. 364 applicable to Southwest Gas Corporation's (Southwest) Northern and Southern Nevada Divisions. The Public Utilities Commission of Nevada approved these sheets and made them effective July 1, 1999.

The attached tariff sheets reflect the necessary revisions to conform Southwest's Nevada Gas Tariff to the recently adopted regulation of the Department of Transportation which requires operators of natural gas distribution systems to provide certain residential customers of new and replaced single residence service lines with information about the availability of excess flow valves and related safety benefits and costs.

The following changes should be made in your copy of Southwest's Nevada Gas Tariff:

<u>Insert P.U.C.N. Sheet No.</u>	<u>Supersedes P.U.C.N. Sheet No.</u>
Second Revised 338	First Revised 338
First Revised 400	Original 400
