TO ALL HOLDERS OF
SOUTHWEST GAS CORPORATION'S
NEVADA GAS TARIFF NO. 6

Subject: Revision No. 030

Attached are revised tariff sheets filed in Advice Letter No. 375-A applicable to Southwest Gas Corporation's (Southwest) Southern and Northern Nevada Divisions. The Public Utilities Commission of Nevada (Commission) approved these sheets and made them effective March 9, 2000.

The subject tariff sheets reflect the removal of the percentage amount of taxes and assessments that Southwest is required to collect for the various taxing authorities. In the absence of having the tax and assessment amounts in Southwest's Nevada Gas Tariff, Southwest will provide notification of changes in taxes and assessments to the Commission and tariff holders by means of a detailed tax sheet.

The following changes should be made in your copy of Southwest's Nevada Gas Tariff:

Also attached herewith is Adjustment No. 1, which represents the first tax sheet. This tax sheet is not considered a part of Southwest's Nevada Gas Tariff; however, for a handy reference, it is suggested that such sheet be placed in front of your copy of Southwest's Nevada Gas Tariff. Southwest will continue to provide future adjustments to holders of Southwest's Nevada Gas Tariff; such adjustments will be consecutively numbered.
