TO ALL HOLDERS OF  
SOUTHWEST GAS CORPORATION'S  
NEVADA GAS TARIFF NO. 6

Subject: Revision No. 038

By letter dated February 8, 2001, Southwest provided Revision No. 037 to holders of its Nevada Gas Tariff. The tariff sheets related to Revision No. 037 contained a map and legal description reflecting the Commission's authorization in Docket No. 00-10017 for Southwest to expand its service area in the general vicinity of Elko, Nevada.

Attached is a corrected First Revised P.U.C.N. Sheet No. 252 which replaces its counterpart previously provided in Revision No. 037.
