TO ALL HOLDERS OF  
SOUTHWEST GAS CORPORATION'S  
NEVADA GAS TARIFF NO. 6

Subject: Revision No. 039

Attached are revised tariff sheets filed in Advice Letter No. 385 applicable to Southwest's (Southwest's) Southern and Northern Nevada Divisions. The Public Utilities Commission of Nevada (Commission) approved these sheets and made them effective April 19, 2001.

The attached tariff sheets reflect various tariff revisions, some of which are administrative in nature, to Southwest's Nevada Gas Tariff. The revisions, in part, include the following:

1. The text in Schedule No. ST-1, Transportation of Customer Secured Natural Gas, has been modified to clarify the calculation components of Positive and Negative Excess Imbalance Penalty rates.
2. The Special Supplementary Tariff, Take-Or-Pay Cost Recovery Provision, applicable to the Southern Nevada Division has been removed, as this is fully collected.
3. Rule No. 3, Application for Service, has been expanded to include application for service via telephone or on-line through Southwest's Internet web site as additional options for residential customers.
4. New text has been added to Rule No. 9, Main Extensions, to reflect Southwest's option of waiving the requirement of a signed contract for main extensions in the event payment is not required by a customer.
5. Rule No. 16, Facilities on Customer's Premises, has been revised to add new text which reflects Southwest's current practice of installing Automatic Meter Reading or Offsite Meter Reading devices at the convenience of Southwest or the customer.
