

RULE NO. 19

SERVICE AGREEMENTS

- A. Service agreements may be required at any time at the option of the Company, but will be required as a condition precedent to service under the following conditions:
1. Where required by provisions contained in a filed rate or other tariff schedule, in which case the term of the agreement will be that specified in such schedule.
 2. Where the building of a main extension or construction of other facilities will be necessary, in which case the terms of the agreement will be as stated in Rule No. 9 of this Nevada Gas Tariff.
 3. Where temporary service is to be supplied under the provisions of Rule No. 15, of this Nevada Gas Tariff in which case the term of the agreement will be of sufficient length to cover the period of contemplated operations.
- B. Each service agreement for gas service will contain the following provisions:
1. This agreement shall, at all times, be subject to the applicable rate schedule and such changes or modifications by the Commission as said Commission may from time to time direct in the lawful exercise of its jurisdiction.
 2. The Company shall at all times have the right of ingress to and egress from the customer's premises at all reasonable hours for any purpose reasonably connected with the furnishing of gas and the exercise of any and all rights secured to it by law or the rules on file with the Commission.
