

RULE NO. 20

SERVICES AND FACILITIES ON CUSTOMER'S PREMISES

A. SERVICE CONNECTIONS MADE BY COMPANY'S EMPLOYEES

Only duly authorized employees of the Company are allowed to connect the customer's service to, or disconnect the same from, the Company's gas mains.

B. MAINTENANCE OF SERVICES

Services will at all times be and remain the sole property of the Company, which will have the right, by its agents or employees, to enter upon the property of the customer and remove, repair, replace or abandon such services at any time as operating conditions necessitate.

C. METERS AND APPLIANCES

All meters, regulators, services, appliances, fixtures, etc., installed by the Company at its expense upon the customer's premises for the purpose of delivering gas to the customer shall continue to be the property of the Company, and may be repaired, replaced or removed by the Company at any time.

No rent or other charge whatsoever will be made by the customer against the Company for placing or maintaining said meters, regulators, services, appliances, fixtures, etc., upon the customer's premises. All meters will be sealed or soldered by the Company, and no such seal or solder shall be tampered with or broken except by a representative of the Company appointed for that purpose. The customer shall exercise reasonable care to prevent the meters, regulators, services, appliances, fixtures, etc., of the Company upon said premises from being injured or destroyed, and shall refrain from interfering with the same, and, in case any defect therein shall be discovered, shall notify the Company thereof.

The Company shall have the right to remove any and all of its facilities installed on customer's premises at the termination of service.

D. METER INSTALLATION

All meters will be installed by the Company in some convenient place approved by the Company upon the customer's premises, and so placed as to be at all times accessible for inspection, reading and testing.

D. METER INSTALLATION (Continued)

In all buildings in which separate meters are hereafter required to be installed for various floors or groups of rooms in order to measure the gas supplied to each tenant, all meters will be located at a central point or as otherwise specified by the Company. Each such meter will be clearly marked by the building owner, to indicate the particular location supplied by it.

In buildings which are divided into two or more stores or other commercial premises, meters may be installed in the separate premises provided no adjacent alleyway, common basement or other location accessible to all the tenants and suitable for the installation of a group of meters exists. In such buildings, the piping from the Company's point of delivery to the individual meters shall be subject to inspection by the Company.

A master meter shall be furnished and installed by the Company (as provided for in Rule 18(A) upon application by the owner or lessee of any building where the floors (or portion thereof) or groups of rooms are rented separately and where gas is to be metered and resold by said owner or lessee to the individual tenants, as provided in Rule No. 18(B). In such cases the said owner or lessee shall furnish, install, maintain and test the sub-meters.

E. COMPANY'S RIGHT OF INGRESS AND EGRESS FROM CUSTOMER'S PREMISES

The Company shall at all times have the right of ingress to and egress from the customer's premises at all reasonable hours for any purpose reasonably connected with the furnishing of gas, and the exercise of any and all rights secured to it by law, or these tariff schedules.

As provided for in the Rules herein contained, the Company shall have the right to remove any and all of its property installed on the customer's premises at the termination of service.
