

Schedule No. GT-244

LARGE GENERAL NATURAL GAS SERVICE

APPLICABILITY

Applicable for natural gas service to uses classified in Rule No. 21 as Priority P2-B.

TERRITORY

Throughout the Company's certificated gas service areas in its Southern and Northern California Divisions, including the Company's South Lake Tahoe district, except as may hereafter be provided.

RATES

The commodity charges and annual minimum charge are set forth in the currently-effective Statement of Rates of this California Gas Tariff and are incorporated herein by reference.

The number of therms shall be determined in accordance with the provision Rule No. 2C.

SPECIAL CONDITIONS

1. Service under this schedule is subject to discontinuance without notice in case of an actual or threatened shortage of natural gas, whether due to insufficient supply or to inadequate transmission or delivery capacity of the facilities of either the Company or its wholesale supplier. Such interruption or discontinuance of service will be made in accordance with Rules Nos. 14 and 21. The Company will not be liable for damages occasioned by interruption or discontinuance of service supplied under this schedule.
2. In the event that it is necessary to discontinue service under this schedule, the commodity charge and the minimum charge will be prorated on the basis of the ratio of the number of days on which service was available to the number of days in the billing period. For this purpose service will be considered available if curtailed by the Company less than eight (8) hours in any particular day.
3. No customer shall be entitled to service hereunder for new or additional equipment unless adequate standby equipment and fuel shall have been first provided therefore, said standby facilities to be ready at all times for immediate operation in the event that the supply of gas hereunder shall be partially or totally curtailed.
