Terms and Conditions

Read these Terms and Conditions, and then sign and date the Applicant Information portion of the Rebate Application.

1. To be eligible for a rebate, I understand that: (a) I must be a Nevada residential customer on a residential rate with an active meter serviced by Southwest Gas for the installation address and, (b) the product(s) I have installed must qualify as described on the Rebate Application, which is incorporated herein by this reference, and must be designed to reduce the consumption of the energy distributed to me by Southwest Gas at the installation address. Resale products, warranty replacements, products leased, rebuilt, rented, received from insurance claims, won as a prize, or new parts installed in existing products do not qualify for a rebate. I understand I must complete separate rebate applications for each installation address. All uses herein of the words "install", "installation" or similar phrases shall mean complete installation such that the subject products are fully functional and in operation.
2. I understand the program term is January 1, 2014 through December 31, 2014, and that the program term is subject to change without notice. New product purchases occurring outside of the program term do not qualify for a rebate offered during the program term. **The program may be modified or terminated without prior notice.** In the event that rebate amounts change during the program period, the purchase date will be used to determine product eligibility and rebate amount.
3. I understand that this signed and dated Rebate Application and all appropriate proof(s) of purchase **must be postmarked or submitted online by January 31, 2015** to be considered eligible for payment of a rebate. The submission deadline date is subject to funding availability and may change without notice. A rebate check for qualifying product(s) is generally mailed 8 to 10 weeks after Southwest Gas receives and approves a completed Rebate Application including all required documentation unless a Rebate Application is selected for an inspection, which may add additional time. An incomplete Rebate Application will not be processed.
4. I will allow, if requested, a Southwest Gas representative or a Southwest Gas-authorized inspector reasonable access to the installation address to verify the installed product(s) I have purchased before a rebate is paid. I understand that a rebate will not be paid if I refuse to participate in any required verification. The verification of installation must be scheduled within 30 days of customer contact by Southwest Gas. I understand that Southwest Gas may contact the qualifying product vendor and/or installer to verify purchase and/or installation and may provide my name and/or address to complete this verification.
5. By signing the Rebate Application, I acknowledge and agree that Southwest Gas may duplicate, disseminate, release and disclose information relating to this Rebate Application (including the entirety of its content(s)), and any other information related to Applicant's participation in the program (including but not limited to billing data) to the Public Utilities Commission of Nevada, and any third-parties utilized by Southwest Gas to administer the program, to verify or audit program records or system installation, operation and results, or as required to comply with state and/or federal law.
6. I have installed a qualifying product(s) and understand the energy efficiency level of the qualifying product(s) determines the rebate amount (as defined in the Rebate Application). The rebate amount cannot exceed the purchase price for equipment. The rebate amount cannot exceed 75% of the purchase and installation costs for weatherization.
7. If a tenant, I understand that I am responsible for obtaining the property owner's permission to install the qualifying product for which I am applying for a rebate. My signature on this Application indicates I have obtained this permission.
8. I agree that the selection of qualifying product(s), selection of manufacturer, dealer, supplier and/or installer, and purchase, installation and ownership/maintenance of the qualifying product(s) referenced in this Rebate Application are my sole responsibility, and that the manufacturer, dealer, supplier and/or installer of the qualifying products is not an employee or representative of Southwest Gas. I understand that Southwest Gas makes no representations regarding manufacturers, dealers, contractors, materials or workmanship. I ALSO UNDERSTAND THAT SOUTHWEST GAS MAKES NO WARRANTY, WHETHER EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR ANY PARTICULAR PURPOSE, USE, OR APPLICATION OF THE PRODUCTS. I understand and agree that Southwest Gas will not be held liable for, and I agree to indemnify, defend and hold harmless Southwest Gas, its directors, officers, employees and/or agents from and against any claims involving (1) the quality, safety and/or installation of the products, including their fitness for any purpose, (2) the estimated energy savings of the products, (3) the workmanship of any third parties, (4) the installation or use of the products including, but not limited to, effects on indoor pollutants, or (5) any other matter with respect to the 2014 Nevada *Smarter Greener Better* Residential Rebates Program. Accordingly, I hereby waive any and all claims against Southwest Gas, its directors, officers, employees, and/or agents, arising out of activities conducted by or on behalf of Southwest Gas in connection with my 2014 Nevada *Smarter Greener Better* Residential Rebates Program Rebate Application. Without limiting the foregoing, Southwest Gas, its directors, officers, employees and/or agents shall not be liable hereunder for any type of damages, whether direct, indirect, incidental, consequential, exemplary, reliance, punitive or special damages, including damages for loss of use regardless of the form of action, whether in contract, indemnity, warranty, strict liability or tort, including negligence of any kind.
9. I understand that I am responsible for meeting all program requirements and complying with all applicable laws, rules, regulations, codes, ordinances, covenants, conditions, requirements, and/or restrictions imposed by state/county/city governments, property owner(s) and/or homeowner's association(s) (if any) concerning this installation. City and county jurisdictions require a permit for the installation of any water heater in a residential or commercial building. The permit can only be obtained by a licensed contractor who is qualified to perform the installation. If I fail to obtain and maintain necessary licenses and permits it will constitute a material breach of my obligations.
10. I understand that **Southwest Gas is not responsible for rebate applications, rebate application documents, rebate check, and any materials related to the rebate application and process that are lost, destroyed, or delayed in the mail/transit.**
11. I understand that I cannot receive rebates for the same products or equipment, or for the replacement of installed products, from more than one utility or under different Southwest Gas energy efficiency programs. This program is funded by Southwest Gas' Nevada customers and administered by Southwest Gas or its authorized agents under the auspices of the Public Utilities Commission of Nevada. Rebates are provided on a first-come, first-served basis until the conclusion of the program term, or until program funds are no longer available.
12. I understand that the submission of this Rebate Application, even if correct and complete, does not guarantee that I will receive a rebate.
