

REBATES FOR YOU

The Smarter, Greener, Better Energy Choice for Your Home and the Environment

A Smarter Choice

It's the perfect time to make smarter choices for you and the environment. The high-efficiency products shown on the reverse side can help reduce your energy usage and carbon footprint, as well as your energy costs.

More Green for You!

To help you save money, rebates are currently being offered on select high-efficiency products.

Rebates are Better

Rebates are available to Southwest Gas customers for purchases made Nov. 1, 2009, **through Nov. 30, 2011, or until program funds are depleted**, whichever comes first. Applications must be postmarked by Dec. 15, 2011.

SOUTHWEST GAS

smarter > greener > better™

To determine product eligibility prior to purchase, and to receive a rebate application, please visit www.conservationrebates.com or call **1-866-802-7790**.

Natural Gas Storage Water Heater

Requirements: Energy Factor (EF) .62 and greater; storage capacity 29-65 gallons.

Available Rebate \$75

Programmable Thermostat

Requirements: Four program periods per day; requires natural gas heating.

Available Rebate \$20

Save approximately \$180 a year by properly setting programmable thermostats and maintaining those settings.

Smart Low-flow Showerhead

Requirements: Showerstart Technology: Evolve Stargazer and Roadrunner models; requires natural gas water heating.

Available Rebate \$22.50

Installing a new showerhead is one of the simplest and least expensive ways to “go green.” The benefits go beyond doing your part to help our environment; you’ll also be helping your pocketbook by lowering monthly water and energy bills.

SOUTHWEST GAS

smarter > greener > better™

Note:

Qualifying products must be installed prior to the payment of any rebate. Southwest Gas reserves the right to verify both the efficiency and installation of equipment before rebate is issued.
