

Base Tariff Energy Rate Change — Southern Nevada Division

On December 30, 2009, Southwest Gas Corporation (Southwest) filed its quarterly Base Tariff Energy Rate (BTER) change with the Public Utilities Commission of Nevada. Effective February 1, 2010, natural gas rates for Southwest’s Southern Nevada customers will decrease by \$0.00094 per therm.

The table on the back of this notice shows the changes for the average monthly bill for each customer class. The change to individual customer bills will vary depending on the amount of gas consumed.

Monthly bills that reflect usage both before and after the effective date will be prorated to reflect the days billed at the old and new rates.
