**Annual Rate Adjustment Hearing and Consumer Session
 Docket No. 10-06008 – Public Notice**

Southwest Gas Corporation (Southwest) has requested authorization from the Public Utilities Commission of Nevada (PUCN) to adjust customers' rates. The rate adjustments Southwest is requesting in its Southern Nevada Division include: (1) a decrease to the Deferred Energy Account Adjustment (DEAA) of \$ 0.10282 per therm and (2) a decrease to the Delivery Charge of \$0.00514 per therm. Southwest's request would result in decreases in revenues of \$39,799,890 and \$2,441,768 associated with the DEAA and delivery charge adjustment, respectively. Southwest is also requesting authority to continue the currently effective Uncollectible Gas Cost Expense rate and to adjust other gas-related charges applicable to transportation service.
