

What's Cooking?

NEWS TO USE

April 2015

Whether you're learning to cook, are the top chef in your home, or a culinary expert, you can rely on clean, affordable natural gas to prepare a healthy dinner or bake a favorite treat!

In the kitchen, natural gas ranges, cooktops and ovens offer instant on/off capability, even heat, and precise temperature control. And outdoors, natural gas BBQ grills offer the same features without the worry of ever having to run out of fuel. This makes clean, reliable natural gas the perfect source for what's cooking.

Have your natural gas range or BBQ connected this spring at a special price. Visit www.swgasliving.com/connect

Celebrate Earth Day! April 22

For more than 40 years, Earth Day has inspired awareness of, and appreciation for, the environment. With this year's global theme, **"It's Our Turn to Lead,"** take a moment and do your part to go green, save energy, and reduce environmental footprints where you live. Check out www.swgasliving.com for ways to preserve our local beauty and be the face of change!
