CLEAN AND FRESH - FOR LESS

Did you know? Water heaters are the second biggest energy users in a typical home, after heating and cooling systems. They do their job daily to keep you, your dishes and clothes clean and fresh.

You can save energy when it comes to water heating by choosing natural gas. Natural gas water heating systems cost less to operate than electric water heaters and can heat water twice as fast.

So, when it's time to buy a new home or replace your current water heater, save time and money by choosing an affordable, natural gas model. It'll keep you clean and fresh - for less.

Learn more about natural gas water heating systems, efficiency ratings and rebates at **swgas.com**.

SUSPECT A NATURAL GAS LEAK?

Don't smoke, strike a match, or turn on or off any electrical switches.

From a safe place, call **911** & **877-860-6020** immediately.

Learn more at **swgas.com/safety.**

GET TEXT UPDATES

In the rare instance that your natural gas service is interrupted, Southwest Gas can send you a text message to keep you informed. Opt in at **swgas.com** through MyAccount or call Customer Assistance at **877-860-6020**.

Our notification service is free. Message and data rates may apply.

PAYMENT ASSISTANCE

Residential customers who meet certain income guidelines may qualify for utility assistance through state programs.

Additionally, residential customers may qualify for **Energy Share**, an emergency fund that provides direct utility assistance to qualified customers with unexpected financial difficulties. For more information call **877-860-6020**.

GOING PAPERLESS IS A SNAP!

With paperless billing, there's no envelope to open or paper to recycle.

Sign up for **Paperless Billing** through MyAccount. It's a secure, fast and easy way to view and pay your bill!
