Advice Letter No. 1132-G

(U 905 G)

Public Utilities Commission of the State of California

<u>Subject</u>: To update procurement charges applicable to Schedule No. GCP for core customers and the Transportation Franchise Fee (TFF) and Transportation Distribution Shrinkage (TDS) Surcharges applicable to core and noncore customers in Southwest Gas' California service areas.

Southwest Gas Corporation (Southwest Gas) hereby submits for approval by the California Public Utilities Commission (Commission) revisions to its California Gas Tariff. The tariff sheets being modified as a result of this submission are listed on Attachment A.

Purpose

The purpose of this routine monthly submission is to revise the attached tariff sheets by updating: (1) procurement charges applicable to Schedule No. GCP, Gas Procurement for Core Customers, in compliance with the California Public Utilities Commission's (Commission) letter dated October 20, 2000, approving Southwest Gas' Advice Letter No. 619; (2) the Transportation Franchise Fee (TFF) Surcharge applicable to core and noncore customers who secure their own sources of supply, pursuant to Public Utilities Code, Sections 6350 to 6354, *et seq*; and (3) the Transportation Distribution Shrinkage (TDS) Charge, in accordance with Decision (D.) 14-06-028.

For core sales customers, the May 2020 cost of gas, including adjustment for franchises and uncollectibles, is \$0.16316 per therm for Southwest Gas' Southern California Service Area and \$0.18095 per therm for Southwest Gas' Northern California and South Lake Tahoe Service Areas.

The May TFF Surcharge rate is \$0.00180 per therm for Southwest Gas' Southern California Service Area and \$0.00205 per therm for Southwest Gas' Northern California and South Lake Tahoe Service Areas.

The May TDS Charge is \$0.00124 per therm for Southwest Gas' Southern California Service Area and \$0.00101 for Southwest Gas' Northern California and South Lake Tahoe Service Areas.

This results in an increase in rates of 0.19% for Southern California, and a decrease in rates of 0.05% for Northern California, and 0.06% for South Lake Tahoe customers.

Advice Letter No. 1132-G Page 2 April 30, 2020
