Advice Letter No. 1182-G

(U 905 G)

Public Utilities Commission of the State of California

Subject: To update procurement charges applicable to Schedule No. – GCP Gas Procurement for Core Customers (Schedule No. GCP), the Transportation Franchise Fee (TFF) Surcharge and the Transportation Distribution Shrinkage (TDS) Charge applicable to core and noncore customers in Southwest Gas' California service areas.

Southwest Gas Corporation (Southwest Gas) hereby submits for approval by the California Public Utilities Commission (Commission) revisions to its California Gas Tariff. The tariff sheets being modified as a result of this submission are listed on Attachment A.

Purpose

The purpose of this routine monthly submission is to revise the attached tariff sheets by updating: (1) procurement charges applicable to Schedule No. GCP, in compliance with the Commission's letter dated October 20, 2000, approving Southwest Gas' Advice Letter No. 619; (2) the TFF Surcharge applicable to core and noncore customers who secure their own sources of supply, pursuant to Public Utilities Code, Sections 6350 to 6354, et seq; and (3) the TDS Charge, in accordance with Decision (D.) 14-06-028.

For core customers, the August 2021 cost of gas, including adjustment for franchises and uncollectibles, is \$0.36456 per therm for Southwest Gas' Southern California Service Area and \$0.53889 per therm for Southwest Gas' Northern California and South Lake Tahoe Service Areas.

The August TFF Surcharge rate is \$0.00498 per therm for Southwest Gas' Southern California Service Area and \$0.00823 per therm for Southwest Gas' Northern California and South Lake Tahoe Service Areas.

The August TDS Charge is \$0.00186 per therm for Southwest Gas' Southern California Service Area and \$0.00404 for Southwest Gas' Northern California and South Lake Tahoe Service Areas.

This results in an increase in rates of 1.62% for Southern California, 2.39% for Northern California, and 2.47% for South Lake Tahoe customers.

Advice Letter No. 1182-G Page 2 July 30, 2021

The attached tariff sheets also incorporate the following rate adjustment approved by the Energy Division, effective July 1, 2021:

 Advice Letter No. 1176-G – Regulatory Balancing Account Surcharges Update to Reflect Franchise and Uncollectibles (F&U) Rates Approved in D.21-03-052.

On Sheet No. 66, Southwest Gas has also corrected a typographical error in the Transportation Service Charge noted for Schedule No. GS-VIC - City of Victorville Gas Service. The correct rate should be \$780.00; yet, it was previously listed as \$11.00. This rate would only be applicable in the event the customer elects to receive transportation service.

Effective Date

Advice Letter No. 626 authorized Southwest Gas to make its monthly gas cost adjustment effective between the first and seventh calendar day of each month. This Advice Letter is subject to Energy Division disposition and should be classified as Tier 1 (effective pending disposition) pursuant to General Order (GO) 96-B. Southwest Gas respectfully requests the rate adjustments become effective August 1, 2021.
