### **Purpose**

The purpose of this filing is to remove Rule No. 4.1 – *Exemption From Public Inspection Requirements For Certain Corporation Contracts*, and related Form 835.0, *Nondisclosure Agreement*, from Southwest's tariff pursuant to Decision (D.) 97-06-110 issued in Rulemaking (R.) 97-04-010.

### **Background**

On July 25, 1997, Southwest Gas filed to revised its tariffs in compliance with D.97-06-110, which adopted rules that exempt from public inspection certain contracts negotiated by a gas corporation, under specified conditions, consistent with Public Utilities Code § 489.1.

In accordance with D.97-06-110, and in the absence of an extension of the termination date by the Commission, the above-referenced Rule 4.1 and Form 835.0 expired on January 1, 2001. Therefore, Southwest Gas is removing the tariff sheets that reference Rule No. 4.1 and Form 835.0.

This filing will not increase any rate or charge, cause the withdrawal of service, or conflict with any other schedules or rules.

### **Effective Date**

Southwest believes this Advice Letter is subject to Energy Division disposition and should be classified as Tier 1 (effective pending disposition) pursuant to General Order (GO) 96-B. Southwest, therefore, respectfully requests that this advice letter become effective on November 20, 2009, which is the date filed.

### **Protest**

Anyone wishing to protest this filing may do so by sending a letter within 20 days of the filing. The protest should set forth the grounds upon which it is based and should be submitted expeditiously. There is no restriction on who may file a protest. Protests should be mailed or faxed to:
